This certificate is awarded to Chris Richard Dias ('Grace Bungalow', Kalbhat Wadi, Papdy, Tamtalao, Vasai (W), Palghar 401201), who has successfully completed a three-level internship program at Myadcenter Inc. in the capacity of a NodeJS/ReactJS Full-stack Developer.

During the course of the internship, Chris Richard Dias, learned and demonstrated a deep understanding of the Node.js and React.js stack (Unix/NodeJS/Express/React/Redux/Material UI/ES6/MySQL/ChatGPT/Cit) and acquired extensive knowledge of our workflow. He effectively utilized this knowledge to develop robust and efficient applications, contributing to the success of several projects at our company.

In addition, Chris Richard Dias showcased exceptional communication and team collaboration skills, which helped to enhance the overall productivity of the team. His ability to work effectively with team members of different backgrounds and skill sets was truly impressive and played an instrumental role in completing complex projects successfully.

It is with great pleasure that we acknowledge the successful completion of the internship program by Chris Richard Dias. We have no doubt that he will continue to excel in his professional career and make valuable contributions to the field of software development.

To Whom It May Concern:

This is to state that I have known **Cimmona Pereira** for past 1 months, working as an Business Analyst on the Finlatics Business Analyst Experience Program. Finlatics is recognised as a 'Start - Up' by Department of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India. It is one of start - ups selected for the prestigious incubation program at Atal Incubation Centre - NMIMS, supported by the Atal Innovation Mission, under the aegis of NITI Aayog, Government of India

I was supervising **Cimmona Pereira** for the Finlatics Business Analyst Experience Program. I found **Cimmona Pereira** to be very diligent and hardworking Business Analyst. **Cimmona Pereira** has deep interests in data-driven decision-making and has a unique way of looking at business problems. The Business Analyst role was aimed at solving case-based projects using the MECE method of problem-solving, MS Excel, and Power BI. **Cimmona Pereira** tackled a range of business cases - ranging from enhancing profitability for a multinational technology business to analyzing the feasibility of a proposed tourism project.

Cimmona Pereira is also an able implementer of Power BI as it was used in the role to analyze consumer behavior.

INTERNSHIP OFFER LETTER

Date- 01/03/2023
MELVINA TULJI
ST FRANCIS INSTITUTE OF TECHNOLOGY

CC-OL-12171

Dear Melvina Tulji ,
Welcome to CodeClause!

Congratulations! We are delighted to make you an offer as an intern as **Web Development Intern**
Here are the terms and conditions of our offer:

Your scheduled date of internship with us will be from **1-Mar-2023** If you accept this offer, you will begin your internship with the Company. As an intern, you will receive "temporary employment" status. As a temporary employee, you will not receive any of the employee benefits that regular Company employees receive.

By accepting this offer, you agree that throughout your internship, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment. This letter sets forth the complete offer we are extending to you and supersedes and replaces any prior inconsistent statements or discussions. It may be changed only by a subsequent written agreement.

This letter constitutes the complete understanding between you and the Company regarding your internship and supersedes all prior discussions or agreements. This letter may only be modified by a written agreement signed by both of us. I hope that your internship with the Company will be successful and rewarding.

Thank You
