IOT & IIOT TECHNOLOGIES -
EXPERT TALK

Event Report

Sr. No.	Title	Remark
1.	Event Title	IOT & IIOT TECHNOLOGIES - EXPERT TALK
2.	Date of Proposal	30/09/2025
3.	Committee Name	IETE SFIT
4.	Event Category (Self-Sponsored/ College Sponsored)	Committee sponsored
5.	Event Description	The event focused on exploring the evolving landscape of IoT (Internet of Things) and IIoT (Industrial Internet of Things) technologies. It provided participants with a comprehensive understanding of how these technologies are being applied across industries to optimize processes, enhance efficiency, and drive innovation. The session included demonstrations of cutting-edge IoT solutions, discussions on real-world applications, and insights into the challenges and opportunities in the field. Attendees were encouraged to actively engage, ask questions, and share ideas, making the event both informative and interactive. Overall, it served as a platform to inspire participants, broaden their technical knowledge, and highlight the transformative potential of IoT and IIoT in shaping the future of technology and industry.
6.	Number of student participants	145
7.	Preferred location of the event (Room/ Lab No.)	TPO ROOM
8.	Event Group Head Name: Email id: Contact Number:	Ms. Shilpa Chaman shilpachaman@sfit.ac.in +91 8454870003

St. Francis Institute of Technology
Mt. Painsur, Borivali (W), Mumbai – 400103.
IOT & IIOT TECHNOLOGIES -
EXPERT TALK

Event Details

The session began with a warm welcome and introduction by the anchors, Chairperson Ms Purva Daundkar and Vice Chairperson Ms Tanishka Karlekar who greeted all participants and briefly presented the theme of the expert talk: IoT & IIoT technologies.

Dignitaries on stage included the HOD Dr. Kevin Noronha, Convenor Ms. Shilpa Chaman, and the expert speaker Mr. Anthony Desa, highlighting the significance of the session.

The speaker was felicitated with a bouquet/memento by the HOD as a mark of respect and appreciation.

The anchors introduced Mr. Anthony Desa, detailing his qualifications, professional experience, and expertise in IoT & IIoT.

A short address by the HOD & Convenor welcomed both the speaker and the audience, setting the context for the session and emphasizing its relevance to engineering students.

Expert Talk: Mr. Anthony Desa delivered an engaging session covering:

- Fundamentals of IoT & IIoT technologies.
- Industry applications and real-world use cases.
- Emerging trends, innovations, and future opportunities in the field.
- Practical insights for students to apply in projects and research.

A Q&A session followed, where students interacted with the speaker, asked questions, and clarified doubts, making the session highly engaging.

The Vote of Thanks was delivered by the Chairperson Ms Purva, expressing gratitude to the speaker, dignitaries, and attendees for their participation.

Finally, the event was concluded by thanking everyone and officially closing the session.

Overall, the expert talk provided valuable technical knowledge, industry insights, and practical inspiration, motivating students to explore innovative projects and applications in IoT & IIoT technologies.
