Title: Conception 2025

Dates: 09/04/2025

Time: 10:00am-4:00pm

A. Description

The Department of Electronics and Telecommunication conducted its annual intercollegiate BE project competition - Conception 2025 in St. Francis Institute of Technology on 9th April 2025.

The event was inaugurated at 9am by our chief guest Mr Nayan bheda. This inauguration was hosted by Ms.Diya and Mr. Soham and most of the participants together with the Deans and HoDs of our college attended the event. We were honored to have Mr. Nayan Bheda as our Chief Guest — a distinguished Award-winning Business Accelerator, Investor, Speaker, and Serial Entrepreneur. He also delivered an inspiring and motivational speech, sharing valuable insights from his entrepreneurial journey and encouraging young minds to embrace innovation, resilience, and a growth mindset.

After this the participants were asked to move to their respective venues. A total of 36 groups registered for the event. The groups were divided into hardware and software based project poster presentations that were scheduled in six different rooms.

The entire event was divided into 2 rounds. Round 1 was evaluated by 6 different alumni of our college together with six different internal judges from the INFT/CSE department of our college who had both software and hardware expertise.. Students were really happy to interact with our alumni where they were told about their shortcomings and how they can improve further. The names of the judges are as follows:

Sr. No	Judges
1	Dr. Dakshata Panchal
2	Dr. Mrinmoyee Mukherjee
3	Dr. Manoj Chavan
4	Dr. Deepak Jayaswal
5	Dr. Gautam Shah
6	Dr. Kevin Noronha
7	Mr. Ramjee Yadav

5 groups each from software and hardware project category was then selected to Round 2 based on the judges evaluation. Round 2 was evaluated by our Chief Guest Dr. Manoj Chavan, Head of
