Research Paper Guidance Seminar

Event Proposal

Sr. No.	Title	Remark
1.	Event Title	Research Paper Guidance Seminar
2.	Date of Proposal	06th February 2026
3.	Committee Name	IETE SFIT
4.	Event Category (Self-Sponsored/ College Sponsored)	Committee sponsored
5.	Event Description	The Research Paper Guidance Seminar was organized by the IETE Committee, SFIT with the objective of familiarizing students with the fundamentals of research paper writing. The seminar aimed to provide clarity on research methodology, paper structuring, citation practices, and publication processes. The session was conducted by Dr. Anjali Chaudhari and Dr. Jayasudha Koti, who shared their academic expertise and practical insights into effective research writing. The speakers elaborated on topic selection, organization of content, ethical research practices, and common mistakes to avoid while preparing research papers. The seminar was interactive and informative, enabling students to gain a structured understanding of research-oriented academic writing. It encouraged students to adopt a systematic approach towards research and enhanced their confidence in preparing quality research papers.
6.	Number of student participants	60
7.	Preferred location of the event (Room/ Lab No.)	TPO Room, 114
8.	Event Group Head Name: Email id: Contact Number:	Ms. Shilpa Chaman shilpachaman@sfit.ac.in 8454870003 Purva Daundkar daundkarpurva@student.sfit.ac.in 88794 53379

Research Paper Guidance Seminar

Event Details

- The **Research Paper Guidance Seminar** was organized by the **IETE Committee, St. Francis Institute of Technology**, with the objective of introducing students to the fundamentals of research paper writing and academic publishing. The seminar was designed to enhance students' understanding of structured research practices and to encourage a research-oriented approach towards academic work.
- The session focused on essential components of research paper preparation, including **research methodology, formulation of effective titles, abstract writing, paper structuring, citation and referencing practices, and publication standards**. Emphasis was laid on following standard formats and maintaining clarity, originality, and ethical practices while preparing research papers.
- The seminar was conducted by **Dr. Anjali Chaudhari** and **Dr. Jayasudha Koti**, who shared their academic expertise and practical insights into research writing. The speakers explained the importance of systematic documentation of research work and highlighted common mistakes made by students while preparing research papers. Students were also guided on improving the quality of technical writing and presenting research outcomes effectively.
- The session was interactive, allowing students to actively participate and clarify their doubts related to research writing and publication processes. Overall, the seminar provided valuable academic exposure and helped students gain confidence in approaching research paper preparation in a structured and professional manner.
