Exploring AR, VR, Metaverse & Mixed Reality

Event Proposal

Sr. No.	Title	Remark
1.	Event Title	Dive into the Metaverse: Exploring AR, VR, Metaverse & Mixed Reality
2.	Date of Proposal	12 March 2026
3.	Committee Name	IETE SFIT
4.	Event Category (Self-Sponsored/ College Sponsored)	Committee sponsored
5.	Event Description	The seminar began with a brief introduction of the speaker and the objectives of the session. Mr. Karan Balkar provided an overview of immersive technologies and explained the differences between Augmented Reality (AR), Virtual Reality (VR), Mixed Reality (MR), and the Metaverse. He discussed their applications in industries such as gaming, healthcare, education, and training, and shared insights into the development of AR/VR applications. Real-world examples helped students understand the growing importance of immersive technologies. The session concluded with an interactive question-and-answer segment where students clarified their doubts regarding AR/VR technologies and related career opportunities.
6.	Number of student participants	122
7.	Preferred location of the event (Room/ Lab No.)	EXTC SEMINAR HALL 618-19
8.	Event Group Head Name: Email id: Contact Number:	Ms. Shilpa Chaman : +91 8454870003 shilpachaman@sfit.ac.in Purva Daundkar : +91 88794 53379 daundkarpurva@student.sfit.ac.in

Exploring AR, VR, Metaverse & Mixed Reality

Event Details

- The seminar titled “Dive into the Metaverse: Exploring AR, VR, Metaverse & Mixed Reality” was conducted on 12 March 2026 from 10:15 AM to 12:15 PM at the EXTC Seminar Hall (618–619), St. Francis Institute of Technology. The event was organized by the IETE Student Forum.
- The session began with a brief introduction of the event and the guest speaker, Mr. Karan Balkar, Technical Architect at LTM (formerly LTIMindtree), Navi Mumbai. The speaker shared his professional journey and experience in mobile application development, particularly in Android and immersive technologies.
- During the seminar, Mr. Balkar introduced students to the concepts of Augmented Reality (AR), Virtual Reality (VR), Mixed Reality (MR), and the Metaverse. He explained the differences between these technologies and demonstrated how they are applied in real-world scenarios such as gaming, healthcare, education, and simulation-based training.
- The speaker also discussed the development process of AR/VR-based mobile applications, industry trends, and the increasing demand for immersive technologies in modern digital platforms. Students gained insights into tools, platforms, and skills required to work in the AR/VR domain.
- The seminar was interactive, and students actively participated in the question-and-answer session, where the speaker addressed queries related to AR/VR development, career opportunities, and future advancements in immersive technologies.
- The event concluded with a vote of thanks and presentation of an appreciation letter to the speaker on behalf of the IETE Student Forum.
