Report on TechGenesis-2025

Event Name: TechGenesis 2025

Date: 09 April 2025

Organized by: Department of First Year Engineering

Venue: St. Francis Institute of Technology, Mumbai

Objective

TechGenesis 2025, organized under the initiative PRAYAS, aimed to orient first-year engineering students toward the diverse technical committees operating within the institute. The event was designed to foster awareness, spark interest, and help students make informed choices about joining these committees in their higher semesters.

Session Distribution

The day was split into two major sessions based on departments:

- **Morning Session:** For students of Computer Engineering (CMPN), Information Technology (INFT), and Artificial Intelligence & Machine Learning (AIML)
- **Evening Session:** For students of Electronics & Telecommunication (EXTC), Electrical Engineering (ELEC), Mechanical Engineering (MECH), and Electronics and Computer Science (ECS)

Morning Session (CMPN, INFT, AIML)

Time: 9:00 a.m. to 12:30 p.m.

- College Anthem commenced the session at 9:05 a.m.

- RAW Video Presentation

Live Demonstrations (3:15 p.m. to 4:20 p.m.)

GATEE, TEJAS, and ETAN hosted engaging demos showcasing their core initiatives and technical projects in outdoor setups for better interaction and clarity.

Conclusion

TechGenesis 2025 was a successful and engaging platform that introduced first-year students to the technical culture of the institute. The combination of structured presentations and hands-on live demonstrations ensured students not only learned about the committees but also witnessed their activities in action. The event is expected to significantly aid students in choosing the right technical community to grow with during their academic journey.
