The ITSA organized three events in MOSAIC '19. The details of one of the events is as follows:

- Event - Time Frame
- Date - 31st August, 2019
- Time - 11.00 am onwards
- Venue - 328
- No. of Participants - 29 Participants (12 groups)

The ITSA had organized Time Frame as one of its events in Mosaic'19 which consisted of three rounds.

ROUNDS

DESCRIPTION

Round 1:Rod and Wire

Basic circuit and hardware was arranged by ITSA.A rod was given to the participating team which was to be passed through the wire without touching it.

Round 2:Taboo

It is a word guessing game where you need to get your team to guess the secret word, but the obvious clues are strictly off-limits.

Round 3:Murder Mystery

The room was filled up with hidden clues and the winning three teams, based on the time taken for first two rounds, were timed to solve the mystery. Clues were partly technical.

This event tested the patience, technology skills and the critical thought process of the participants due to which it was well-liked. The entry fee for this event was Rs.60 for 2.Cash prize of Rs.800 was given to the group who solved the mystery in 17 minutes.
