## 1. Career Counselling (Sessions Taken by Mr. Wilson Pinto, Head Training and Placement) Participants:

About 500 students from BE All branches

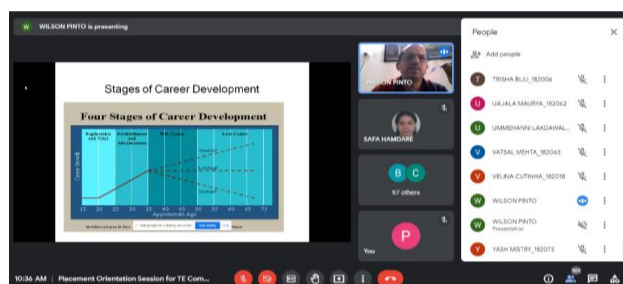

**Academic Year: 2020-21**

Class	Date	Time
BE CMPN A & B	27/07/2021	05:00 PM to 07:00 PM
BE EXTC A & B	16/07/2021	05:00 PM to 07:00 PM
BE INFT A & B	17/07/2021	05:00 PM to 07:00 PM
BE MECH	06/07/2021	05:00 PM to 07:00 PM
BE ELEC	09/07/2021	05:00 PM to 07:00 PM

### Objectives:

- To help in the total development of the students
- To guide the students for proper choice of careers

Career guidance sessions were conducted to all the BE students so that they are helped in making meaningful occupational selection and preparation for having a desirable job and a fulfilling and rewarding career in the future.

We are living in a highly complex and rapidly changing world and there are changing requirements in technical & industrial jobs. Through the career guidance sessions our students are well informed about different market trends, various jobs and the requirements, responsibilities and the preparations they need to do so that they are able to do well in their selection of the job companies, write a good Biodata, do well in the aptitude test and group discussions and finally get selected.

2. Guidance for competitive examinations (GATE counselling)

**St. Francis Institute of Technology**

Mount Poincur, S.V.P. Road, Borivli (West), Mumbai 400 103

**DEPARTMENT OF MECHANICAL ENGINEERING**

**Academic Term:** Jun-Dec 2021-22

**Title of the Webinar:** Webinar on GATE Awareness (Mechanical)

**Organized by:** Skill Development Cell

**Duration:** 1 hour

**Date:** 7th July 2021

**Report on Gate-Webinar**

Imperial Institute of Excellence - I2E is a pioneering institute in the coaching field providing best GATE/IES Coaching classes for aspiring engineering graduates across India. Right from the inception of institute in 2007, students are benefited from top GATE/IES coaching provided by the expert faculties of I2E. I2E has achieved all India rank 1st – 8 times in GATE exam and is therefore ranked No.1 GATE coaching class across India.

Due to Covid pandemic, the course was conducted online through Google Meet. The number of students registered for the course was 38..

Based on the objective of the course, fBelow are the features of top GATE training program by I2E.

- Best GATE classroom training program by a highly expert faculty team from Hyderabad, Bangalore, Delhi having GATE/IES teaching experience of 10-15 years.
- Best GATE study material covering all GATE syllabus, compromising adequate theory and 10000+ practice problems.
- GATE online video lectures.
- All India GATE online test series with Subject-wise, Chapter-wise & Mock Tests.

The webinar focused on

- What is GATE Exam and the need of the exam
- Why GATE exam is important
- What will be the major points while achieving the exam
- Where can this GATE exam will help students in public sector as well as private sector
- What will be its advantages and disadvantage

So the webinar overall covered the importance of the GATE exam, the need and demand in the field as well as how classes will help you in improving yourself. Briefing about the opportunity after B TECH/BE , how the classes will help you in achieving your goal, how they prepare students for this exam. Also the test series , the syllabus covered the way of approach and final result.

3. Career opportunities for BE Mechanical Students (Session taken by Mr. Wilson Pinto, Head Training & placement)

St. Francis Institute of Technology Borivali  
Mumbai

Department of Mechanical Engineering

**Report on Career Opportunity for BE-Mechanical Engineering Students**

Event Date: 17<sup>th</sup> June 2021

Time: 06:00 pm to 08:00 pm (2 Hrs.)

Venue: Online (Google meet)

No. of Registered Students: 66 (B.E. Mech. Engg.)

Resource Person: Mr. Wilson Pinto

**A. Description:**

As a part of Departmental Activities many seminars are arranged every semester to make students aware of the real world. This semester for the students of Mechanical Department, a Special Topic Seminar on "**Career Opportunity for BE-Mechanical Engineering Students**" was conducted on 17<sup>th</sup> June 2021 in online mode using google meet.

The major objective of the session was to familiarize the attendees with the "**Career Opportunity**"

The following topics were covered during the session:

1. Success at placement
2. Career in Difficult time
3. Managing Oneself
4. Seven Biggest Trends for Engineering in the 2020s
5. Skills required in Industry
6. Job Categories for Mechanical
7. Recruitment Comparison
8. Recruitment Processes

The session was a big success, as all the participants had shown keen interest in knowing more about Career Opportunities and asked many questions related to the topic. The Resource Persons delivered an excellent session giving insights Placement and Industry. The response and feedback from the participants, about the session was excellent and as per the feedbacks, they would want to attend more sessions like this in future.

St. Francis Institute of Technology Borivli Mumbai

### Department of Mechanical Engineering

#### Report on “SESSION BY INDUSTRY EXPERTS”

Event Date: 28<sup>th</sup> September 2019

Time: 10:00 am to 03:00 pm (5 Hrs.)

Venue: Seminar Room SFIT

No. of Registered Students: 66 (S.E. Mech. Engg.)

Resource Person: Mr. Rinkesh Kurkure, Mr. Vivek Ambre, and Mr. Shivam Yadav

#### A. Description:

As a part of Activities of the MESA, many seminars are arranged every semester to bridge the gap in the syllabus. This semester for the students of Mechanical Department, a Special Topic Seminar on “Expectations of industries from Mechanical Engineers” was conducted on 28/09/2019.

The major objective of the session was to familiarize the attendees with the “Skills required in the Industry”

The following topics were covered during the session:

1. Research Industry expectations and requirements
2. Corporate Industry expectations and requirements
3. Start-up or business industry expectations and requirements

The session was a big success, as all the participants had shown keen interest in knowing about the skills in demand and recent trends in various sectors. The Resource Persons delivered an excellent session giving insights in necessities of industries. The response and feedback from the participants, about the session was magnificent and as per the feedbacks, they would want to attend more sessions like this in future.

Orientation for Preparation of GATE Examination

An orientation session was conducted for the 3<sup>rd</sup> year students of EXTC department to raise awareness for the GATE examination and assist them with useful related tips.

The schedule was as follows:

TE EXTC A: 18<sup>th</sup> Sep 2019, 11:15 am

TE EXTC B: 18<sup>th</sup> Sep 2019, 3:00 pm

The session was conducted by

1. Mr. Santosh Chapaneri, Asst. Prof, EXTC
2. Ms. Jovita Serrao, Asst. Prof., EXTC

The following points were discussed with the students:

- a) Eligibility for GATE exam
- b) Importance of the exam with respect to higher studies and placements
- c) Examination pattern
- d) Marking scheme and type of questions
- e) Benefits of GATE exam
- f) Curriculum of the exam
- g) Sample questions from previous GATE papers
- h) List of reference books
- i) Important dates for application forms

 Mr. Santosh Chapaneri  
 Asst. Prof.

  
 Ms. Jovita Serrao  
 Asst. Prof.

  
 Dr. Gautam Shah  
 HOD-EXTC

TE EXTC A & B	17/03/2017	03:00 PM to 05:00 PM
TE CMPN A & B	22/03/2017	03:00 PM to 05:00 PM

Objectives:

- To help them acquire the knowledge, information, skills and experience necessary to identify a suitable career

## ST. FRANCIS INSTITUTE OF TECHNOLOGY (ENGG. COLLEGE)

- To help in the total development of the students
- To guide the students for proper choice of careers

Career guidance sessions were conducted to all the TE students so that they are helped in making meaningful occupational selection and preparation for having a desirable job and a fulfilling and rewarding career in the future.

Training and Placement officer Mr. Mronmoy Chaudhary stressed the that the students be prepared with the skills that the companies look for such as Technical skills, critical thinking skills, problem solving skills, soft skills and the ability for lifelong learning.

We are living in a highly complex and rapidly changing world and there are changing requirements in technical & industrial jobs. Through the career guidance sessions our students are well informed about different market trends, various jobs and the requirements, responsibilities and the preparations they need to do so that they are able to do well in their selection of the job companies, write a good Bio data, do well in the aptitude test and group discussions and finally get selected.

The placement officer exhorted them that all will get their desired companies provided they put unceasing efforts and keep on persevering.
