### Stay Connected with the LIRC....Digitally!

Difficult times akin to the ongoing COVID 19 pandemic has made all of us rethink our survival. Although man is known to be social for ages; the lockdown defeated the very basic instinct of mankind - to be connected with one another at all times. This change led to a paradigm transition in the library too. We decided to take our library one up to the next level of accessibility by creating a Google Classroom for all students. We regularly post information on e resources, NPTEL videos, lecture series, DIY projects, Company Profiles in the virtual classroom. If you are still not a student of our LIRC Google Classroom, please do let us

### READING INSPIRATION DAY – 15<sup>TH</sup> OCTOBER

LIRC celebrates Reading Inspiration Day or Waachan Prerana Diwas every year on 15 October to commemorate the birth anniversary of Dr. A.P.J. Abdul Kalam - our ex-President and the Missile Man of India. Every year, we organize various activities such as Exhibition of books and Take Away of On 15th October Donated books. 2020, we conducted an Online Ouiz which iudged the respondents knowledge through guessing the book

bv the given description. 61 received. The responses were favourite genre of books was Fiction followed bv True Stories Autobiographies. Many varied book recommendations were received which we will compile and a selected few will be soon added to the library's collection. A big thank you to Asso. Prof. Bidisha Roy (CMPN) and Asst. Prof. Jovita Serrao (ExTC) for the creative digital bookmarks.

#### **OER - AN SFIT LIRC INITIATIVE**

Many e resources are available on the Internet. Not all of them are in the public domain and copyright free. It is necessary to understand the need for avoiding the infringement of copyright rule. Hence the library has compiled a list of e resources and courses available as "Open Access" and created a Google Site so that all students and teachers may be benefitted equally.

It is available at:

https://sites.google.com/sfit.ac.in/oersfit/home

Do visit and give your feedback!

#### **NEW NORMAL IN THE LIRC**

Every organization in the department is preparing for a new normal. Libraries being the hub of any institute with members bustling in and around the book stacks have to be extra cautious when rendering the services. Phased re-opening has been one of the top priorities of the library.

At SFIT LIRC, we have prepared a detailed SOP and have been following it stringently to minimize the risk factor of the likely infection of COVID – 19. The SOP is displayed near the entrance to our LIRC. All the members are requested to make a

note of it. It is also available on our webpage.

As per this, currently we have requested our members to mail us the list of books which they wish to borrow and they are requested to collect after 2 days. Similarly, all the returned books are quarantined for one week and then shelved on their respective racks. Sanitizer is available at the entrance of the LIRC. Only two people are allowed to enter the library at a given point of time.

#### **VIDYA MITRA - INTEGRATED E CONTENT PORTAL**

Vidya-Mitra is an online learning portal for all the e-content projects developed under the NME-ICT (National Mission on Education through Information and Communication Technology), MHRD. The portal provides facility to search and browse all hosted content wherein a learner can easily access the desired material including audio/video learning material, textual material, multimedia-enriched materials etc. through a single interface. Moreover, features of faceted search, usage statistics, project-wise access, My-Space are incorporated in this portal.

Following is the number of records (courses, document type) available as on 12<sup>th</sup> March, 2021:

Subject	Number of Records
Computer Science and Technology	476
Electronics and Communication Engineering	2717
Electrical and Electronics Engineering	2245

The content can be searched using title, Institute and Subject in addition to Free and Exact searches.
